The [Business at OECD \(BIAC\) Competition Committee](#) and the [International Bar Association Antitrust Section](#) invite you to join this inaugural virtual webinar to discuss the interaction of competition law and regulation.

Building on the June 2021 discussion at the OECD Competition Committee's WP2 roundtable on [competition enforcement and regulatory alternatives](#), the panel will discuss the pros and cons of a regulatory framework, how regulation impacts competition, the application of regulatory proposals on the digital economy, the implications for innovation, and the impact on consumers.

This program will be held virtually via Zoom.
